announcing **Amazing Elf Adventure 2020!**

It's time again for Amazing Elf Adventure, one of the Muncie Children's Museum's biggest events of the year! But this time, we're doing things a little bit differently...

Have you ever dreamed of becoming an elf? Do you want to learn what it takes to become one of Santa's helpers? The word on the snow is Santa is planning on hiring new elves for this holiday season. Will you be one of the lucky few?

In partnership with DWTWN Muncie's First Thursday's, we are kicking off Amazing Elf Adventure on Thursday, December 3rd with an interactive scavenger hunt throughout downtown!

We will then launch a series of video scavenger hunts on our Facebook and Instagram pages for you and your family to enjoy, with the chance to win a grand holiday prize!

a round of applause

A huge shout out to the families that made our inaugural Day of Play a success! Thank you to our sponsors who made the Day of Play possible: First Merchants Bank, Estep Burkey Simmons, LLC, First Merchants Private Wealth Advisors, George Insurance Group, Grinnell Mutual, Clark Insurance Group, and The Delaware County Women's Republican Club. We couldn't have done it without you!

Thank you to Indiana Arts Commission, Community Foundation of Randolph County, Navient, and Friends of the Muncie Endurathon for providing the funding for our new At-Home Activity Kits which were given to children at the

Ross Community Center and the Boys and Girls Club of Muncie.

Our Children's Health Fair looked a little different this year! Thank you to those who participated in our Virtual Children's Health Fair in 2020. A big thank you to Meridian Health Pediatric Services and the Suzanne Gresham Center for being the presenting sponsor again this year and to the Delaware Blackford Medical Society for their event sponsorship as well.

Thank you to the agencies that provided information and prizes for the Virtual Children's Health Fair: Children's Bureau, Donate Life Indiana, Healthy Families, Indiana Donor Network, Meridian Health Pediatric Services, MuncieBy5, Muncie Fire Department, and Open Door.

board spotlight: Jenny Smithson

We would like to introduce you to Jenny Smithson. Jenny joined the Muncie Children's Museum Board of Directors in November 2019. Jenny brings a great perspective to the museum from her many years of work in education and with her current position as the Director of Special Education for Muncie Schools and the Delaware Blackford Special Education Cooperative.

Jenny grew up in Syracuse, IN and came to Muncie to attend the Indiana Academy for Science, Mathematics, and Humanities. She attended Ball State University for both undergraduate and masters work. She worked as a teacher for Selma Middle School for 10 years, then took an administrative position with Alexandria Community School Corporation for 11 years before coming to Muncie Schools. Jenny also teaches dance classes at Cornerstone Center for the Arts and loves to sing karaoke!

Jenny has called Muncie home since 1990 and being a board member has given her a way to serve the community. She is mostly excited about the care that goes into the creation of exhibits and the commitment of the staff to the museum's purpose and mission. She feels that early childhood experiences help the brain make new neural connections and create the background knowledge that children use to learn and connect to new knowledge.

She has memories and childhood experiences of attending museums in Chicago and other places she traveled with her family. She says that Delaware County families are so lucky to have this gem right here so close to home.
